

## **COMMUNITY Affairs Report 2018**

Good day brothers and sisters! The RDLC Community Affairs committee spent the year supporting other committees and doing some events in the community. We started out with the 2017 Relay For Life where three participants raised about \$1200. During the summer some of us volunteered to help deliver lunches for REACH. I also helped pack some reading books for grade 1 to grade 8 youths at the United Way Regina. Next big event was the Labor Day Picnic. The RDLC severed around 4000 hotdogs! We were not rained out this year. In November we helped with the Equity Potluck supper and had a float entered in the Southland Santa Parade. We won the unofficial Best Labor Float in the parade and were the Best Reindeers! The Care To Share program where we collect gently used winter clothing also delivered some bags of clothing to Carmichaels and other charities. In December we helped with the RDLC Christmas social. The next few months were busy with helping to plan the RDLC Equity Conference which turned out to be another success. May 4<sup>th</sup>, 2018 will be the next Relay For Life Regina event and I will report on this at the 2018 AGM.

In Solidarity,

Susan Butson, Chair Community Affairs and RWDSU VP
